HYMN OF THE MONTH: GOD MOVES IN A MYSTERIOUS WAY

God moves in a mysterious way His wonders to perform.
He plants His footsteps in the sea and rides upon the storm.

Deep in unfathomable mines of never-failing skill
He treasures up His bright designs and works His sovereign will.

Refrain: *God of mercy! God of grace! Give us eyes to see!
Eyes to see Your smiling face within the mystery,
Within the mystery!*

Ye fearful saints, fresh courage take; the clouds ye so much dread
Are big with mercy and shall break in blessings on your head.

Judge not the Lord by feeble sense, but trust Him for His grace;
Behind a frowning providence He hides a smiling face. **(Refrain)**

His purposes will ripen fast, unfolding every hour;
The bud may have a bitter taste, but sweet will be the flower.

Blind unbelief is sure to err and scan His work in vain;
God is His own interpreter, And He will make it plain. **(Refrain)**
